MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 25 to Contract No. A-101 with Thompson Ramo Wooldridge Inc., Project IDEALIST, Office of Communications, [REDACTED]

25X1A

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 4.

2. Contract No. A-101 provided for the research and development and production in connection with electronic systems I thru VI and supporting equipment procured for subject project. Amendment No. 25 to the contract has been drawn to incorporate final overhead rates for the period 1 January 1959 through expiration of the contract as recommended for acceptance by the Auditor in his telephone call of 17 April 1961 and to incorporate a General Research Clause effective 1 January 1959. This clause was originally requested to be incorporated into the contract in Contractor's letter dated March 15, 1956. However, due to change-over of personnel both at Headquarters and at the Contractor's plant, no follow-up action was taken. Consequently, the clause is included only for the last period of the contract.

3. No additional funds are obligated as a result of this amendment.

4. Concurrence in Amendment No. 25 to Contract No. A-101 is recommended.
